NOTICE TO STOCKHOLDERS OF ACTION APPROVED BY CONSENTING STOCKHOLDERS

The following action was taken based upon the unanimous recommendation of Sheffield's Board of Directors (the "Board") and the written consent of the consenting stockholders as set forth in Exhibit A:

ACTION I REVERSE STOCK SPLIT

MATERIAL TERMS OF THE REVERSE SPLIT

The Board has unanimously adopted and the consenting stockholder has approved a resolution, attached as Exhibit A hereto, to effect a one-for-two hundred fifty (1:250) reverse stock split of the Common Stock of Sheffield (the "Reverse Split"). The resulting share ownership interest including resulting fractional shares for each individual shareholder shall be rounded up to the third whole integer in such a manner that every shareholder shall own at least 100 shares as a result of the Reverse Split. The Board and the consenting stockholder believe that the Reverse Split is in Sheffield's best interests, principally because it will enable Sheffield to issue additional shares in connection with a reverse merger or other business-combination transaction related to its ongoing efforts to

acquire an operating business.

The immediate effect of the Reverse Split will be to reduce the total number of shares of Sheffield common stock from approximately 99,563,712 shares to approximately 400,000 shares issued and outstanding.

The Reverse Split will affect all of the holders of Sheffield's common stock uniformly and will not materially affect any stockholder's percentage ownership interest in Sheffield or proportionate voting power, except for insignificant changes that will result from the rounding of fractional shares.

The Reverse Split is expected to become effective on or about September 30, 2005 (the "Effective Date") for shareholders of record on September 20, 2005. The Reverse Split will take place on the Effective Date without any action on the part of the holders of Sheffield's common stock and without regard to current certificates representing shares of any class of Sheffield common stock being physically surrendered for certificates representing the number of shares of Sheffield common stock each stockholder is entitled to receive as a result of the Reverse Split. New certificates of Sheffield common stock will be issued.

No fractional shares will be issued in connection with the Reverse Split. Any fractional share will be rounded up to the third whole integer in such a manner that every shareholder shall own at least 100 shares as a result of the Reverse Split.

A resolution and consent granting the authority to effect a one-for-two hundred fifty reverse stock split of the Common Stock of Sheffield is attached hereto as Exhibit A.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The following summary of certain material federal income tax consequences of the Reverse Split does not purport to be a complete discussion of all of the possible federal income tax consequences and is included for general information only. Further, it does not address any state, local, foreign or other income tax consequences, nor does it address the tax consequences to stockholders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, non-resident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the United States federal income tax laws as of the date of this Information Statement. Such laws are subject to change retroactively as well as prospectively. This summary also assumes that the shares of Common Stock are held as "capital assets," as defined in the Internal Revenue Code of 1986, as amended. The tax treatment of a stockholder may vary depending on the facts and circumstances of such stockholder.

EACH STOCKHOLDER IS URGED TO CONSULT WITH SUCH STOCKHOLDER'S TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE SPLIT.

No gain or loss should be recognized by a stockholder as a result of the Reverse Split; provided, however, any whole shares received in lieu of fractional shares may result in a taxable gain or loss. The aggregate tax basis of the shares received in the Reverse Split will be the same as the stockholder's aggregate tax basis in the shares exchanged. The stockholder's holding period for the shares received in the Reverse Split will include the period during which the stockholder held the shares surrendered as a result of the Reverse Split. Sheffield's views regarding the tax consequences of the Reverse Split are not binding upon the Internal Revenue Service or the courts, and there is no assurance that the Internal Revenue Service or the courts would accept the positions expressed above. The state and local tax consequences of the Reverse Split may vary significantly as to each stockholder, depending on the state in which such stockholder resides.

ACTION II AUTHORITY TO ENTER INTO A REVERSE MERGER TRANSACTION

The Board has unanimously adopted and the consenting stockholder has approved a resolution, attached as Exhibit A hereto, to authorize the Board of Directors to enter into a reverse merger or other business-combination transaction involving Sheffield. Sheffield has not yet entered into any letter of intent nor has it entered into any definitive agreement relating to a business combination.

Because Sheffield has no operating business, the future success of the Corporation depends upon our ability to

successfully find a suitable business and negotiate satisfactory terms and condition of any business combination agreement. By adopting this resolution, the Board of Directors believes that the Corporation will have added flexibility to enter into a reverse merger or other business-combination transaction, because it will reduce the time necessary to complete such a transaction. Because the laws of the State of Delaware allow for the consent of holders of a majority of the issued and outstanding shares, acting without a shareholders meeting, to approve an acquisition, it does so without effecting shareholder rights.

A resolution and consent granting the authority to enter into a reverse merger or other business-combination transaction is attached hereto as Exhibit A.

ACTION III

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE AUTHORIZED SHARES AND TO CHANGE THE PAR VALUE OF SHARES

The Board and the consenting stockholders have adopted and approved an amendment to increase the number of its authorized shares of Preferred Stock from 3,000,000 to 10,000,000 shares (the "Authorized Share Increase") and to change the par value of Sheffield's Common and Preferred Stock from .01 per share to .001 per share. The amendment was adopted primarily in anticipation of providing Sheffield with the capital structure that would facilitate any potential reverse merger. A resolution and consent approving the amendment are attached hereto as Exhibit A.

The Authorized Share Increase will be implemented by filing an Amended Certificate of Incorporation with the Division of Corporations of the State of Delaware. Under federal securities laws, Sheffield cannot file the Amended Certificate of Incorporation until at least 20 days after the mailing of this Information Statement.

As of the record date, the authorized number of shares of Sheffield's Preferred Stock is 3,000,000. The Board and the consenting stockholder believe that additional authorized shares of Preferred Stock is in Sheffield's best interest as the additional shares could be issued before or after a business combination for raising of additional equity capital or other financing activities, stock dividends or other purposes. The future issuance of additional shares of Preferred Stock on other than a pro rata basis to existing stockholders will dilute the ownership of the current stockholders, as well as their proportionate voting rights. The new shares of Preferred Stock that will be authorized by the amendment may be issued in one or more classes or series, having such designations, preferences, privileges and rights as the board of directors may determine.

Although this action is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in any instruments or the Articles of Incorporation as amended or the Bylaws of Sheffield in effect on the date of this Information Statement, Sheffield stockholders should note that the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of Sheffield or the Board more difficult or time consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of common stock could be issued by the Board to dilute the percentage of common stock owned by a significant stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Delaware law with respect to a merger or other business combination involving Sheffield.

Following the Reverse Stock Split and the Authorized Share Increase, the number of shares of Sheffield's stock will be as follows (subject to slight adjustment for rounding of fractional shares):

	Common Stock Outstanding	Authorized Common Stock	Preferred Stock Outstanding	Authorized Preferred Stock
Pre Reverse Split	99,563,712	100,000,000	0	10,000,000
1 for 250	400,000	100,000,000	0	10,000,000

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors is authorized to enter into a reverse merger or other business-combination transaction involving Sheffield that the Board of Directors, in its sole discretion, deems appropriate.

AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO
INCREASE THE AUTHORIZED SHARES OF PREFERRED STOCK AND
CHANGE THE PAR VALUE OF COMMON AND PREFERRED STOCK

NOW, THEREFORE, BE IT RESOLVED, that the Certificate of Incorporation of the Corporation be amended as follows:

Changing Article FOURTH so that, as amended, said Article shall be and read as follows:

The total number of shares of Preferred Stock that the Corporation shall have the authority to issue is 10,000,000, par value \$0.001 per share. The Corporation's capital stock may be sold from time to time for such consideration as may be fixed by the Board of Directors, provided that no consideration so fixed shall be less than par value.

The Board of Directors of the Corporation is expressly authorized, subject to limitations prescribed by law and the provisions of this Article IV, to provide for the issuance of the shares of Preferred Stock from time to time in one or more series, and by filing a certificate pursuant to the Delaware Statutes, to fix the number of shares and to determine or alter for each such series, such voting powers, full or limited, or no voting powers, and such designations, preferences, and relative, participating, optional, or other rights and such qualifications, limitations, or restrictions thereof, as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issuance of such shares as may be permitted by the Delaware Statutes.

Each holder of a certificate or certificates which immediately prior to the Split Effective Date represented outstanding shares of Old Common Stock (the "Old Certificates") shall, from and after the Split Effective Date, be entitled to receive upon surrender of such Old Certificates to the Corporation's transfer agent for cancellation, a certificate or certificates (the "New Certificates") representing the shares of New Common Stock into which the shares of Old Common Stock formerly represented by such Old Certificates so surrendered are reclassified under the terms hereof. No fractional shares of New Common Stock of the Corporation shall be issued. The Corporation shall not recognize on its stock record books any purported transfer of any fractional share of Common Stock of the Corporation. Instead, any fractional share shall be rounded up to the third whole integer in such a manner that every shareholder shall own at least 100 shares as a result of the Reverse Split."

RESOLVED FURTHER, that any action or actions heretofore taken by any officer of the Corporation for and on behalf of the Corporation in connection with the foregoing resolutions are hereby ratified and approved as the actions of the Corporation.

This Joint Written Consent shall be added to the corporate records of this Corporation and made a part thereof, and the resolutions set forth above shall have the same force and effect as if adopted at a meeting duly noticed and held by the Board of Directors and the stockholder of this Corporation. This Joint Written Consent may be executed in counterparts and with facsimile signatures with the effect as if all parties hereto had executed the same document. All counterparts shall be construed together and shall constitute a single Joint Written Consent.
