Item 2.02 Results of Operations and Financial Condition.

On May 13, 2008, we issued a press release including results for the quarter ended March 31, 2008, and announcing a teleconference and webcast to be held May 13, 2008 at 11 a.m. Eastern Time. We have attached a copy of the press release as an exhibit to this report.

Item 2.05 Costs Associated with Exit or Disposal Activities.

On May 12, 2008, we implemented a reduction of workforce (“Reduction of Workforce”) pursuant to which the Company's workforce has been reduced by approximately 30%, leaving the Company with 45 employees. The Reduction of Workforce was substantially complete on May 12, 2008. The Company undertook the Reduction of Workforce in order to conserve cash and align its workforce with its anticipated staffing needs in light of the Company's strategic refocusing of development programs.

In connection with the Reduction of Workforce, the Company currently expects to incur expenses associated with one-time termination benefits of approximately $400,000 in the quarter ending June 30, 2008, all of which will be paid over the next six months. Additionally, approximately 320,000 shares of common stock vested due to employees being involuntarily terminated by reason of position elimination, pursuant to restricted stock units granted on September 25, 2007 to the Company's then employees under the Company's 2005 Stock Plan, resulting in a non-cash charge to compensation expense of approximately $90,000.

The press release including announcement of the Reduction of Workforce is attached hereto as Exhibit 99.

Item 8.01 Other Events.

On May 13, 2008, the Company issued a press release, attached hereto as Exhibit 99 and made part of this report, including announcement of the strategic refocusing of development programs and the Reduction of Workforce.
