Re: Palatin Technologies, Inc. (the “Company”)
   Registration Statement on Form S-3 (File No. 333-206047)

Dear Ladies and Gentlemen:

Pursuant to Rule 461 of the Securities Act of 1933, as amended (the “Act”), the Company hereby requests that the
Securities and Exchange Commission (the “Commission”) take appropriate action to cause the above-referenced
Registration Statement on Form S-3 to become effective on Tuesday, August 18, 2015, at 9:00 A.M., Eastern Time, or as
soon thereafter as is practicable.

In connection with this acceleration request, the Company confirms that it is aware of its obligations under the Act. In
addition, the Company acknowledges that:

   Should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does
   not foreclose the Commission from taking any action with respect to the filing;

   The action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing
   effective, does not relieve the Company from its full responsibility for the adequacy and accuracy of the
disclosure in the filing; and

   The Company may not assert staff comments and the declaration of effectiveness as a defense in any
proceeding initiated by the Commission or any person under the federal securities laws of the United States.
If you have any questions regarding this request, please contact our outside counsel, Faith Charles of Thompson Hine LLP, at 212-908-3905 or the undersigned at 609-495-9197. Please also call Faith Charles as soon as the Company's Registration Statement on Form S-3 has been declared effective. Thank you for your attention to this matter.

Sincerely,

PALATIN TECHNOLOGIES, INC.
