## **Palatin Technologies Announces Adjournment of Annual Meeting of Stockholders**

*Limited to Proposal 4, Amendment to Certificate of Incorporation to Increase Authorized Common Stock*

*Proposals 1, 2, 3 and 5 were approved at the Annual Meeting*

*Scheduled to Reconvene July 23, 2020, 9:00 am Eastern Daylight Time*

CRANBURY, NJ – June 29, 2020 – Palatin Technologies, Inc. (“Palatin”) (NYSE American: PTN) announced that its 2020 Annual Meeting of Stockholders that convened on June 25, 2020 has been adjourned until July 23, 2020 at 9:00 a.m. Eastern Daylight Time to solicit additional proxies for Proposal 4, approval of an amendment to our Certificate of Incorporation to effect an increase in authorized common stock from 300,000,000 shares to 500,000,000 shares. The adjourned meeting will be a completely “virtual” meeting of stockholders, and stockholders will be able to listen and participate in the virtual annual meeting as well as vote and submit your questions during the live webcast of the meeting by visiting <http://www.virtualshareholdermeeting.com/PTN2020> and entering the 16 digit control number included in your Notice Regarding the Availability of Proxy Materials, on your proxy card or in the instructions that accompanied your proxy materials.

The Board of Directors believes approval of Proposal 4 is in the best interests of Palatin and its stockholders because even though Palatin has sufficient operating cash for at least two years and does not have any current plans to offer any additional stock in the foreseeable future, an increase provides future flexibility and the necessary resources Palatin requires to take advantage of any strategic opportunities that could result in an increase in stockholder value. Proposal 4 is described in more detail in Palatin’s proxy statement dated May 11, 2020, furnished to stockholders in connection with the 2020 Annual Meeting.

We have seen significant stockholder support for Proposal 4. At the time of the meeting, approximately 58% of the shares that had been voted on Proposal 4 were voted in its favor. However, the favorable votes were less than the absolute majority of all outstanding shares, which is required for approval of this proposal. Proposals 1, 2, 3 and 5 were approved at the Annual Meeting.

Palatin encourages any stockholder that has not yet voted its shares on Proposal 4 or is uncertain if their shares have been voted on Proposal 4 to contact their broker or bank. The Board of Directors and management respectfully requests stockholders as of the record date, April 29, 2020, to please vote their proxies as soon as possible, but no later than July 22, 2020 at 11:59 p.m. (Eastern Time). Stockholders who have previously submitted their proxy or otherwise voted for the annual meeting and who do not want to change their vote need not take any action. For questions relating to the voting of shares or to request additional or misplaced proxy voting materials, please contact Palatin’s proxy advisory group at [melissacarlson@allianceadvisors.com](mailto:melissacarlson@allianceadvisors.com).
